Financial Assistance

The goal of the Edmonton Scottish United Soccer Club's Financial Assistance Program is to ensure that no child is restricted from participating in soccer programming due to financial challenges.

Step 1: PlayMetrics Financial Aid Form Please be advised that players **must** be selected to a Scottish United SC team before applying for financial assistance. When invited to a team PlayMetrics account (our club's sports management system), parents are asked to complete the Financial Aid Form to begin the Financial Assistance process. You will be contacted by a member of our Administrative Staff or a Member of the Board of Directors acknowledging your application.

Step 2: KidSport Funding As part of a partnership with Edmonton Minor Soccer Association (EMSA), KidSport funds a maximum of \$125 for outdoor soccer, and \$125 for indoor soccer each calendar year to provide children and their families support for both seasons of soccer. This helps to ensure that children have access to both seasons. The application for KidSport funding must be done online. Please [CLICK HERE](#) to apply.

Step 3: Canadian Tire JumpStart The JumpStart program is focused on "giving kids a sporting chance." When applying, please ensure that you choose EDMONTON SCOTTISH UNITED SOCCER CLUB as the organization so that if successful, funding flows directly to our club and is promptly applied to your registration. The application for JumpStart funding must be done online. Please [CLICK HERE](#) to apply.

Step 4: Payment Plans

Edmonton Scottish United SC will work with families to assist them with installment payments, reduced payments or, if eligible, fee waivers. We believe that all children should be given the opportunity to experience the positive benefits of organized sport, and whenever possible, we are committed to offering support.
