## **DEVELOPMENTAL PROGRAM**

Our Developmental Program (Birth Years 2016, 2015, 2014 and 2013) ensures players are organized in age-and-stage appropriate groups, giving them an improved opportunity to grow in their love of the game.

This program sees teams participating in the Edmonton Minor Soccer Association league. Our club looks to accept as many interested players as possible based on resources, and is seeking to engage parents in coaching with the goal of developing future club leaders.
